Marque	Modèle	Silhouette(s)	Année de lancement	Référence interne	Date création	Date mise à jour	N° de version
Renault	Fluence Z.E.	-	2011	01367_11_000xx	05/07/2011	2510/2011	VOR

## Comments

- ✓ 5-seater vehicle
- ✓ Bonnet opening control located at the bottom left of drivers' side
- ✓ 400V Lithium-ion battery
- ✓ The wearing of personal protection equipment is mandatory whilst work is being carried out.
- ✓ Do not touch or cut the orange coloured 400V cables
- ✓ NEVER cut off the traction battery
- ✓ Refer to ERG for rendering the vehicle safe
- ✓ In the event of a fire in the vehicle, after putting it out, swamp the traction battery via the holes for this purpose, located behind the rear bench seat.
